Please plan your demand for the mentioned discontinued product. The earlier we receive your order, the better we can plan and deliver on time.

To answer any queries, your usual contact persons are always at your disposal.

FEIG will continue to expand its product portfolio for you in the future and will continue to develop and offer high-performance mobile scanners that are fit for the future. We will of course inform you as soon as we add further devices to our product portfolio.

Regards,

**FEIG ELECTRONIC GmbH**
